

**Functional Equivalents to the  
Qualified Admission Natural Science Courses  
Kansas Residents**

To demonstrate successful completion of the functional equivalent of the qualified admission precollege natural science courses described in [K.A.R. 88-29-11](#), each applicant shall provide both of the following:

- I. Documentation on the official high school transcript of completion of any two units of high school science courses with no grade less than a C; and
- II. Official documentation of achievement of at least one of the following:
  - A. A score of three or higher in any of the following college board advanced placement (AP) courses:
    1. Biology;
    2. Chemistry; or
    3. Physics B; or
  - B. A grade of C or higher in a general education natural science laboratory course taken before high school graduation and either offered by or accepted in transfer by a state educational institution.
