

- 1) **Q) Under Section Q. (Optional) Programs for Corrections Education and Other Institutionalized Individuals, question #3 asks: Has the applicant reviewed the State plan to ensure that all state approved activities are included in corrections education programs?**

Would you please clarify which State plan this references, including the date of the plan and the sections most applicable?

- A) The **State Plan** referred to in the application means the WIOA Combined State Plan for Kansas which has been posted at the following link:
https://kansasregents.org/resources/2021_Proposed_WIOA_State_Plan.pdf

- 2) **Q) On page 7 I noticed that the Table had FY16-18. Are you wanting this Grant to reflect those years or FY17-19.**

- A) Eligible applicants need to provide data for the requested years. The grant narrative should focus on past performance, where specified, and the services and activities that will be delivered in the future.

- 3) **Q) Do you prefer us to label each question writing out the question with the narrative following?**

- A) The narrative should be typed after the questions in the provided application document.

- 4) **Q) Do you want bulleted points or would you rather a detailed narrative?**

- A) The narrative should be given in whatever format the applicant feels will best address each aspect of the application.

- 5) **Q) In past Grants there has been a longer narrative, would you rather a brief, concise answer or more detail in answering the questions?**

- A) Applicants should fully address each aspect of the application.
