Recipients:

First priority in awarding goes to **junior and senior level college students and currently licensed teachers** who meet the outlined criteria. **Funds are rarely available for freshman or sophomore students.** This is a merit-based scholarship and your cumulative college GPA factors largely into the awarding decision. The average GPA of past recipients has been 3.50. Students may be enrolled either part-time or full-time, at a minimum of 3 credit hours per semester.

Recipients are eligible to receive funding for **up to ten semesters**, which includes a combination of both undergraduate and graduate work and must continue to maintain satisfactory academic progress. Additional documentation may be required for the scholarship to transition from an undergraduate to graduate program. The number of recipients is dependent on state funding levels.

Award Amounts:

Recipients may be eligible for up to **\$5,536 (\$2,768/semester)** during the 2020-2021 school year. The funding amount is based on the number of credit hours taken per semester and is a set amount as follows:

12+ hours - \$2,768 per semester	9 – 11 hours - \$2,217 per semester
6 – 8 hours - \$1,661 per semester	3 – 5 hours - \$1,107 per semester

Service Obligation Requirement:

Kansas Teacher Service Scholarship recipients will sign **an agreement/promissory note with the State of Kansas** in which they will agree to:

- Complete the required course of instruction leading to licensure and full endorsement in a field of education as a teacher in the selected hard-to-fill teaching discipline or in an underserved geographic area in the State of Kansas (i.e., graduate from your education degree program);
- Obtain and maintain necessary licensure and endorsement as specified in the teaching agreement;
- Engage in teaching in the hard-to-fill discipline or in an underserved geographic area in the State of Kansas, within six months of licensure, in a state-accredited public or private elementary or secondary school on a full-time basis for a period equal to the time scholarship was awarded or commence teaching on a part-time basis for a period of time that is equivalent to full-time, multiplied by the length of the course of instruction for which the scholarship was awarded.

Please Note: Fulfillment of your teaching obligation begins **AFTER** completion of your degree program, even if you do not receive the scholarship for the entire duration of your schooling. If you fail to graduate and obtain licensure as a teacher, you will not be able to fulfill your service obligation.

◆ If a recipient is unable to fulfill the service obligation, they will be subject to repaying the amount of the scholarship they received plus accrued interest at a rate which is equivalent to the interest rate applicable to loans made under the federal PLUS program at the time the agreement was first entered into plus five percentage points (currently that interest rate is 12.08%).
