

KANSAS NURSING SERVICE SCHOLARSHIP

The Kansas Nursing Service Scholarship is designed to encourage enrollment in nursing programs by Kansans committed to practicing as a LPN or RN in Kansas. Recipients sign an agreement/promissory note with the State of Kansas to practice nursing at a specific facility one year for each year of scholarship support. The sponsor provides partial scholarship funding and employment upon licensure of the recipient and the State of Kansas funds the balance, unless the sponsor is a mental health treatment facility as they do not provide a share of the scholarship assistance.
