Regulation of Private Postsecondary and Out-of-State Institutions

- Regulations began in 1909
- 1999 authority transferred from KSDE to KBOR
- 2004 the Kansas Private and Out-of-State Postsecondary Educational Institution Act first enacted; K.S.A. 74-32,162 et seq.

Definition: Postsecondary Institution

Any business, operated for profit or not for-profit:

- Which either (a) has a physical presence in Kansas or (b) solicits students within Kansas to attend school while remaining in Kansas
- That is (a) offering degrees or (b) training or preparing people for a field of endeavor in a business, trade, technical or industrial occupation
- That is not exempted by the Act.

Certificate of Approval

- Required for lawful operation
- Issued by the Board if statutory standards are met
- 30 days to 9 months to review for approval
- Renewed annually
- Must continually comply
