

Kansas Financial Aid Resource Guide

This contact list should help Kansas high school professionals connect their students & families with post-secondary financial aid representatives. Students should contact the institution they are applying to directly. High school counselors can contact any post-secondary institution. The list below shows links and contact information for all Kansas higher education institutions with a corresponding service area map by county, if you need ideas of where to start. The financial aid officers in every university, community college and technical college have extensive experience helping students navigate this process, and any institution could be helpful to your school community when hosting an event.
