## Introduction to Women's Studies – KRSN GCS 1010 CORE OUTCOMES

Course Effective Date: Summer 2017

Outcome Approval Date: Fall 2016

Next Outcome Review Date: Fall 2021

Core Student Learning Outcomes: *4-6 specific, measurable learning outcomes expected of every student that completes the course. Only student outcomes are included in this report.*

Upon completion of this course, students will be able to:

1. Critically analyze the ways gender intersects with race, ethnicity, sexuality, class and other power hierarchies at local, national and global levels.
2. Assess the roles biology and social construction play in shaping gender and sexuality.
3. Identify sources of oppression and effective activism to generate change.
4. Apply an interdisciplinary approach and key concepts to analyze gender in critical discussion and writing.
5. Reflect on personal experience in light of the diversity of women's lives and draw connections between the personal and the political.
