Revised 04/10/2018

Medical Terminology – KRSN HSC 1030 CORE OUTCOMES

Course Effective Date: Summer 2017

Outcome Approval Date: Fall 2016

Next Outcome Review Date: Fall 2021

Core Student Learning Outcomes: *4-6 specific, measurable learning outcomes expected of every student that completes the course. Only student outcomes are included in this report.*

Upon completion of this course, students will be able to:

- 1) Interpret medical terms based on word elements.
- 2) Identify and define medical word roots, prefixes and suffixes utilized in building medical terms.
- 3) Apply medical terms in the proper context.
- 4) Communicate and spell medical terms accurately.
- 5) Identify terms and abbreviations related to basic anatomy, physiology and pathology.
- 6) Describe organizational components of the body, directional terms, anatomic planes, regions and quadrants.
