Individuals that participated in the Butler Community College/Military High School Completion Program from 1992-1999 at McConnell Air Force Base in Wichita, Kansas, should contact Butler Community College for records.

This was not a GED® program, and Parchment will not have access to those records. This program was designed for those entering the Navy, Air Force, or Army. Participants took 16 hours toward high school completion.

To request records, participants should contact the Registrar's Office at Butler Community College by email at registrar@butlercc.edu (preferred method) or by phone at 316-322-3123.
