Table 1.10: Total Operating Expenditures by Fund

1. Beginning with FY 2010, the University of Kansas – Medical Center (KUMC) modified their reporting categories which resulted in categorizing expenditures as Academic Support, Student Services, or Public Services. These expenditures were previously reported in the Instruction or Institutional Support program categories. This change was implemented as a result of a change in the State of Kansas accounting system
2. Prior to FY 2012, KUMC’s definition of “Other General Use” was not consistent. This table has been restated to include the following funds in “Other General Use”: Medical Loan Repayment Fund (7214-7520) and Medical Student Loan Program Provider Assessment Fund (2625-2650).
3. Beginning in FY 2009 for KU and FY 2010 for KSU, a technical change was made in the accounting of student loans and approximately \$115 million (FY 2009), and \$267 million (FY 2010) in federal student loans were determined to be non-reportable expenditures which removed these amounts from reportable scholarships and fellowship expenditures for each year, respectively.
