Kansas Public Postsecondary Systemwide Transfer Courses

The Kansas Board of Regents approved the Systemwide Transfer (SWT) courses listed in the transfer courses listing. Click the TRANSFER COURSES tab above to search SWT courses. A student who successfully completes any of these courses at a Kansas public university, community college or technical college will be able to transfer the course to any Kansas public postsecondary institution offering an equivalent course. The decision for lower division courses to count toward upper division credit hours is at the discretion of the receiving institution.

For specific institutional transfer information, visit: kansasregents.org/institutional-transfer-information.

3. Choose “Excel” as Output Type.
4. Open the Excel file once it has downloaded.
5. To condense to KRSN number, SWT course title, Institution, and course ID and hours, enable editing.
6. Click the A heading to highlight column A; then hold down the Ctrl key and click the E and G column headers to highlight all three columns.
