

KANSAS CAREER TECHNICAL WORKFORCE GRANT

The purpose of this grant program is to encourage individuals to further their education and provide the benefit of their employment to the State of Kansas to assist in the development of a strong state workforce in high demand, critical industry employment fields.

Grants are awarded to students who are Kansas residents and:

1. graduated from a Kansas high school accredited by the Kansas State Board of Education; or
2. obtained a Kansas State High School Diploma issued upon successful completion of the GED® Test; or
3. graduated from a Kansas home school program or a Kansas non-accredited private secondary school as defined and authorized pursuant to K.S.A. 72-53, 100 et.seq; and
4. are enrolled in or accepted for admission to an eligible career technical education program.

See www.kansasregents.org for programs operated by a designated Kansas postsecondary institutions that offer a technical certificate or associate of applied science degree program in a high cost, high demand and critical industry field. Designated Kansas educational institutions include technical colleges, community colleges, and public four-year colleges that award associate of applied science degrees; and Washburn Institute of Technology. Only technical certificate and associate of applied science degree programs are included among the eligible programs.
