

TEA Goals for 2021-2022

1. Support Kansas Board of Regents 2021-2022 goals and advocate for all public postsecondary institutions
2. Conduct extraordinary cost review for the remaining programs
3. Work with Commerce and KSDE in developing definitions, guidelines and processes for work-based learning (apprenticeships, internships, work experience, etc.)
4. Improve CTE program alignment between KSDE and the postsecondary institutions based on business and industry input
5. Improve communication with school districts in Kansas
6. Review and clear up program ownership and control questions
